

**Agreement  
for the appropriate re-stamping of materials  
and products for marine equipment and structures according to  
Lloyd's Register Rules and Regulations for the Classification of Ships**

Between the company:

**Mohr-Hebetechnik GmbH  
Max-Planck-Straße 2  
25358 Horst/Holstein**

and

**Lloyd's Register EMEA  
Überseeallee 10,  
20457 Hamburg, Germany**

is agreed that the following employees are entitled for the re-stamping of materials with quality certificates by Lloyds Register Rules and Regulations, Part2, Ch.1 and in dependence on EN 10204:

Name	Dept.	Personal Stamp
Mr. W. Ott	QS	<b>G</b>
Mr. L. Skamrahl	QS	<b>O</b>
Mr. T. Möller	Säge	<b>N</b>
Mr. W. Abdallah	Versand	<b>A</b>
Mr. T. Kühl	Brennerei	<b>D</b>
Mr. T. Tietjen	Brennerei	<b>H</b>

For:

- Marking/stamping of material samples intended for testing
- Transfer of ID markings during the production process

The agreement requires a check of the identity of the material/blanks against the related certificates and compliance with the applicable Lloyds Register Rules and Regulations, Part2. The ID markings must be transferred prior to removing the original ID marking. The ID marking transfer to be validated by the entitled employee by adding his personal stamp.

For the transfer of ID markings of material with quality certificates according to EN 10204 / 3.2 which are not certified by Lloyd's Register, a specific approval by Lloyd's Register Hamburg and the certifying society of the 3.2 certificate need to be obtained.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

For a complete traceability of the material/blanks, an ID marking transfer record needs to be completed for each re-stamping.

This ID marking transfer record shall include at least:

- Quality and size of the raw material
- batch/sample no.
- manufacturer and name of fabricating works
- makers certificate no.
- number of blanks and their dimensions
- date of re-stamping
- applied ID markings
- personal stamp of entitled employee

The ID marking transfer record and original material certificates must be presented at the final acceptance and certification.

Changes in company structure, QC processes or in the entitled persons need to be communicated to Lloyd's Register EMEA, Hamburg without delay.

This agreement is valid for five years until 01.03.2027 and subject to annual verification.
